critical information summary for \$43.95 landline plan

Description of the Service

This service is a standard (PSTN) phone service that can be used to make and receive calls.

Minimum Term

This plan has a 24 month minimum term.

What's Included and Excluded?

The following calls are included at no additional charge:

- Local calls

Additional charges apply for calls not included in your plan. The main charges are:

- National calls: 16.5c per call,
- Calls to mobiles (any network): 16.5c per 30 seconds (call charges to mobile will also not exceed \$1.10 for the first 10 minutes of each call)

Other information

Usage Information

A spend management tool is available to all Enoxtel customers free of charge via the member portal at: <https://customerportal.utilibill.com.au/enoxtel/>

Connection Timeframes

Once we've accepted your application, we'll try to connect your phone service on the date you ask for, but this might not always be possible.

If there has been a previous working phone service at your property and we can reconnect it without having to visit your property, the local telephone exchange or anywhere in between, then we aim to connect the service within two working days of your request. If this isn't possible, then we aim to connect your service within five to 15 working days, depending on your location.

Billing

We will bill you in advance for the minimum monthly charge and features and in arrears for calls. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.
